No problem about it - I was just curious what was going on. Things seem pretty hectic in most of the courts this week, so I just wanted to make sure that I didn't show up if it was pled/continued/etc. I'll see you tomorrow morning.

Sonja -

Things are crazy around here, just got out of trial. Nothing has changed, unfortunately, case remains on the docket. I'll get you out as soon as possible if it's not going to go.

Thanks - Dave

Just found out that my Superior Court case Thursday pled, but I still need to know if you are going to need me tomorrow and, if so, what time (or on call?) I'm leaving work today around 3, so if it's after that when you get this, please email me instead of calling the lab (413-545-2607). Thanks.

Dave-

Just curious if there have been any changes in the [REDACTED] case scheduled for trial on Thursday, December 16th? I just found out that there is a very slim chance that Springfield may want me, and I would like to be able to let them know what is going on with your case. Thanks.
